

# Curriculum Vitae

**Name:** Syed Muhammad Anas

**Phone:** +92 302 0219799 | +92 331 3616255 ■ **CNIC:** 42101-0740803-1

**Email:** syedmanas94@gmail.com

**Address:** A-12 Al Fazal Plaza, Block B, North Nazimabad, Karachi

**Date of Birth:** 14-Dec-2003 ■ **Nationality:** Pakistani ■ **Marital Status:** Single

## Objective

I am a passionate and ambitious Computer Science undergraduate with strong interests in **Artificial Intelligence, Aerospace Systems, and Emerging Engineering Technologies**. Skilled in programming, web development, and networking, with a vision to apply technology for innovation in aerospace research, robotics, and advanced engineering solutions. Seeking opportunities to contribute to cutting-edge projects, expand expertise in AI and aerospace technology, and build a career as a future software engineer and technology innovator.

## Education

- **BS in Computer Science – Third year (6<sup>th</sup> Semester in progress):** Federal Urdu University of Arts, Science and Technology, Karachi
- **Higher Secondary Certificate (HSC) – Computer Science:** Sir Adamjee Institute, Karachi
- **Secondary School Certificate (SSC) – Science:** ACE School, Karachi

## Work Experience

### **Sales Executive – Artex Global (Jan 2024 – Dec 2024)**

- Engaged with customers to understand their needs and recommend suitable products.
- Maintained sales records and consistently achieved monthly targets.
- Developed customer communication and negotiation skills applicable in team and client-based projects.

### **Junior Network Engineer (Internship) – NewsOne TV (Aug 2022 – Feb 2023)**

- Assisted in the installation, configuration, and maintenance of network systems.
- Supported troubleshooting of hardware and software issues in live environments.
- Gained practical exposure to network security and IT infrastructure.

## Skills & Expertise

- **Programming:** C (Intermediate), Python (Basic).
- **Web Development:** HTML, CSS, JavaScript.
- **AI & Data Science:** Familiar with AI concepts, problem-solving mindset for AI applications.
- **Networking:** Hands-on knowledge of network configuration and troubleshooting.
- **Design & Office Tools:** Microsoft Office, Beginner Graphic Design tools
- **Other:** Data Entry, DEV C++ (Beginner), Technical Documentation
- **Professional Competencies:** Communication, teamwork, adaptability, leadership, analytical thinking

## Languages

- **English:** Good command (writing, reading, speaking)
- **Urdu:** Native fluency

## Hobbies & Interests

- Enjoy exploring literature and creative writing, with a passion for continuous learning and expression.
- Travel enthusiast, eager to experience diverse cultures and broaden perspectives.
- Actively play cricket, football, enhancing teamwork, leadership, strategic thinking, and discipline
